Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Final Office Action dated April 5, 2001, please enter the following remarks and amendments into the file of the above-identified application.

IN THE SPECIFICATION

On page 15, after line 2, please add the following paragraph:

B
--As seen in Fig. 6, the upper barrel edge includes a first wall portion (27) extending substantially radially outwardly from the barrel sidewall, and a second wall portion (29) having a lower section (31) adjacent the first wall portion (27) and extending substantially upwardly from a radially outer section of the first portion (27). The upper barrel edge (28) also includes an exterior rib (40) which projects radially outwardly beyond an outward extent of the first and second wall portions, the rib having both an upper surface and a lower surface terminating in a free end surface connecting said upper and lower surfaces, the second wall portion being defined as that portion of the upper barrel edge that is above an uppermost section of the rib.--

IN THE CLAIMS

Appendix A presents the amendments to the claims showing additions and [deletions].
